WHAT IS BAD ART, GOOD FOLK?

Bad Art, Good Folk is the Preble County Art Association's only fundraiser of the year. Nine community leaders are chosen to raise funds and friends for the PCAA. Their reach is far, making your support a valuable contribution for your business in addition to our nonprofit. Over the past 6 years, our cast have raised over $250,000 from their art pieces! Sponsorship plays a large role in motivating our Good Folk to achieve their personal fundraising goals. Your support is publicly recognized in fun and unique ways leading up to and throughout the event night, which you are bound to enjoy!

Sponsoring Bad Art, Good Folk provides you with the opportunity to connect with the community, build brand awareness, and show your company's support for an important cause: **the Arts!**

Preble Arts has grown to be a vital piece of the community, offering a wide range of programs that elevate the quality of life through education, Arts in humanities, exhibits and more. Art in our area is not just about a painting on the wall or a sculpture in a garden, it is about developing people and creating memories.

Programs like ***Revitalizing Our First Responders***, a collaborative art program for health care/social workers, teachers and law enforcement, give community residents an opportunity to recharge and help with job retention and give back to the community. New upcoming programs like ***Preble Strings,*** a partnership with Richmond Community Orchestra, offer free violin lessons providing a unique experience for underserved youth.
