ABOUT THE GALLERY

The Gallery at Preble Arts is a place for artists to have an opportunity to exhibit their work, gaining exposure in Preble County. The Gallery, located on the first floor of Preble Arts, has prominent exposure to passersbys from the large storefront windows that face US 35. All mediums are entertained for exhibits. Most receptions for exhibits are coupled with Arts Night Out or other Preble Art events. The PCAA creates graphics to include artist information on class brochures or postcards and other appropriate marketing materials. Show information is also included on the Preble Arts website and Facebook pages.
